I am going to
get to you soon

au revoir Montréal. hello London.

This is the place i've known for 7 odd years
5970 Rue - and now there's 5,219km to go.

An aerial, black and white photograph of a residential neighborhood. The houses are arranged in a grid-like pattern with trees interspersed. A white location pin is placed on a street. The text "Rue Waverly" is written along the street, and "5970 Rue" is written in a larger font to the right of the pin. The text "made" is partially visible at the bottom left.
